## General Information

**Assignment Procedures**

Youth sport programs are for children who reside or attend a public or private school in the Auburn or Dieringer School District boundaries, including all Auburn street addresses. Participants must play in grade level in which they are currently enrolled (i.e. players are not allowed to play up or down a grade level). If registered by the published deadline (postmarks not accepted) players are assigned to teams by the following priorities:

1. Returning players are placed with the same head coach as the previous year, provided player attends the same school as the coach's child. Parents can request players not be retained by returning coach if noted on the registration form.
2. If not a returning player, they are assigned to a team based on the school they attend or would attend, e.g., home school, step program.
3. If there are enough registrations for more than one team from a school, teams are filled in the order registrations are received. The balance of players, if not enough for a full team, is combined with another school.

If registered after the published deadline, players are assigned to a team by the parks staff. Assignments are based on the need for players on teams, not necessarily the school the student attends. Late fees are assessed. The City does not discriminate for any reason, to include discrimination on the basis of sex in the operation, conduct, or administration of its community athletic programs. Sports leagues that use City of Auburn public facilities are also forbidden from discriminating on the basis of sex in the operation, conduct, or administration of community athletic programs. Concerns or questions related to Sex Discrimination in community recreation program requirements should contact Brian Petty, Recreation Manager for the City of Auburn at [bpetty@auburnwa.gov](mailto:bpetty@auburnwa.gov).

**Coaches Needed**

Volunteers are needed to make the youth sports programs a success. We are recruiting coaches and assistant coaches. Coaches are certified through the National Youth Sport Coaches Association (NYSCA). Contact us if you would like to assist with this year's program. Volunteer assignments are made on the basis of completing a City of Auburn volunteer application, signing and adhering to a coach's contract and a cleared Washington State Patrol background check.

**Certification**

NYSCA believes children deserve a wholesome experience in youth sports, which can only occur when coaches and parents become aware of the important roles they play as volunteers. The coach certification program covers the areas of social/psychological aspects of coaching, conditioning, the coach as a role model, practice organization, teaching the basic fundamentals and techniques, and child abuse training. The fee is \$20 per coach (Auburn Parks, Arts & Recreation pays certification fees for the head coach).

**Other Opportunities**

The City of Auburn Parks, Arts & Recreation Department has a variety of part-time and temporary positions available for spring and summer jobs. Opportunities include baseball and fastpitch umpires, T-ball instructors, scorekeepers and track instructors. The minimum age for all positions is 16 years old.

**League Sponsorships**

The Auburn Parks, Arts & Recreation Department organizes over 1,600 boys and girls in the Auburn area into t-ball, baseball, fastpitch and track and soccer teams. Boys and girls, in grades K-12 learn the basic fundamentals in a fun-filled environment. In order to keep registration fees affordable, and to provide team uniforms and equipment, sponsors are needed for teams. In return, the sponsor receives their business or organization name and logo on a T-shirt uniform, an 8x10 team photo plaque and the benefit of helping youth enjoy a positive recreation experience. The sponsorship fee is \$195 per team. Sponsor logo on shirts must be supplied in Adobe Illustrator (.ai) or other usable format. Artwork may be emailed to [sportsleagues@auburnwa.gov](mailto:sportsleagues@auburnwa.gov). Call 253-931-3043 for more information.

An attempt is made to open additional sessions if possible. If we are unable to register you in a program, your payment is credited to your account or refunded if requested.

### NSF Checks

Returned checks are assessed a \$20 fee.

### Resident Discount Fee

The City of Auburn recognizes people living within Auburn's city limits support, through their city taxes, the City's Parks, Arts & Recreation services. Because of this, the City offers its residents a discount on selected recreational programs. People from outside the city limits are welcomed and encouraged to enjoy the activities and services the City of Auburn provides. Please see page 15 for youth athletic residency requirements. The resident discount fee is the first fee listed.

**Disclaimer:** This class schedule is published for information purposes only. Auburn Parks, Arts & Recreation reserves the right to make any changes in the content and provision of the class schedule without notice.

*If you see your picture anywhere in this brochure, come to the Parks, Arts & Recreation Admin. Building, and receive a \$5 credit toward any class in this brochure.*

## Deposits

You may reserve a spot in programs which accept deposits, with a NON-REFUNDABLE/NON-TRANSFERABLE deposit. All deposits are applied to the total session fee. See program information for deposit amounts. Full fees are due by Friday, six business days prior to each session. If your full payment is not received six days prior to the start of camp, your spot will no longer be reserved and your deposit is forfeited.

## REFUND POLICY

### Cancelled Program

If a program is cancelled by the Parks, Arts and Recreation Department, the registrant will receive a credit on account or full refund. Online service fees are non-refundable.

### Prior to Start of Program

Refund requests may be made to the department in writing, by phone, or in person, stating the reason for the request. For activities with a fee of more than \$5, a \$5 administrative fee is charged. For activities less than \$5, a credit is placed on the individual's account. There is no administrative fee for credits placed on account. Late fees and online service fees are non-refundable. If you register for a trip that requires separate tickets or admission fees and are unable to attend, please call immediately. If your spot can not be filled you will be charged a fee for any pre-purchased admissions.

### After Start of Program

Refund requests made due to illness or injury must be made in writing and may be granted on a prorated basis. Late fees and online service fees are non-refundable.

- Repeat the program at no additional cost
- Receive a credit to apply to another activity
- Receive a full refund with no administrative charge

The written request must be received before the third scheduled program. This satisfaction guarantee applies to all programs, except trips and tours, outdoor programs, fitness flex options and team athletic registrations.
